Sir,

8 11 46

With reference to the correspondence ending with your letter No M-5-C-67-27, dated 12-2-46, forwarding for sanction a revised estimate for Rs 23,100/- for the above work- the expenditure being met partly from out of the donation of Rs 10,000/- received from the Dharmaprakasha V.D. Rajavarma Mudaliar and partly from the municipal grant of Rs 13030/- I am directed to observe that it is stated in your letter No MS-27-67/43 dated 24-7-43 that Dharmaprakasha V.D. Rajavarma Mudaliar donated a sum of Rs 10,000/- to the Municipal Council in connection with the

WD 03697—GPB—30 000—2 2 40

starting of a Home for Destitutes in Mysore As a Local Relief Committee has been formed under the provisions of the Bengal Relief Act, 1944, the starting of a Home for destitutes in Mysore city has been dropped Vide your letter No MS-599-173/44 dated 12-3-46)

In view of the above, it has to be examined in detail whether the question of constructing the eight shops at an estimated cost of Rs 23,030/ should be considered at all and whether the donation may not be utilised for several purposes for which the donations received from other persons would be utilised by the Local Committees / In case it is considered necessary to build the shops, it has also to be examined as to why

only shops at an estimated cost of Rs 10,000/
why should not be built and why the Municipal
Council should Contribute either any thing towards this object,
especially when the realisations in the shape of
rent from the entire building (8 shops) would
go as contribution in the name of the Raja
Vasu Mudaliar

In the light of the above observations, I
am to request you to furnish the further views
of the Municipal Council, in the matter
The estimate is herewith returned

Sir,

Subject Construction of Eight shops on the eastern side of the V Vilas Market

With reference to your letter No.L 10787 dated 11-4-46 on the above subject, I have the honour to enclose herewith a copy of the resolution No 1021 passed by the Municipal Council at their meeting held on 27-4-46 and to state as follows -

The idea of starting a separate home for destitutes was dropped as already reported in the last sentence of the penultimate para of my letter No M5 C 599-173/44-45 dated 13-3-46 and the donations collected already have been credited to the Local Relief Committee funds, for the prevention of Beggary in Mysore City, Further donations that may be collected, will be credited to the same Fund

16/5

From the letter dated 30-3-45 of Dharmaprakash Mr V D Rajaram Modaliar offering the donation of Rs 10,000/-, copy of which is enclosed, it will be seen that it is the desire of the Donor, that the contribution should be invested by the Municipality in the construction of a market or market stalls in a locality which is in urgent need of the same or of additional stalls in a market which calls for expansion and out of the proceeds of the market rental, the Municipality might contribute a sum of Rs 100/- per month for the maintenance of the inmates of the Beggar's Home then under contemplation This has been duly accepted by the Council in their resolution No 773A/31-3-45 (copy enclosed) and in their further resolution (copy enclosed) No 945/26-5-45, while sanctioning the above estimate under reference, the Council have agreed to meet the cost of the building over and above the donated sum of Rs 10,000, out of municipal funds There is no condition imposed by the Donor

Dharmaprakash V D.Rajaram Mudaliar that the donation should be paid to the Relief Committee in his name His desire is to achieve the double object of providing market stalls for the public in a locality where there is urgent need and to contribute Rs 100/- per mensem out of the expected rent therefrom to the Relief of the Beggars.

It is to be further stated that the extension of the Vanivilas Market was very necessary as the demand for more stalls in the locality was very keen Hence the Municipal Council resolved to build eight stalls there utilising the donation of Dharmaprakash Mr V D Rajaram Mudaliar, supplemented by the municipal funds to make up the amount of the estimate In view of the urgency, tenders were called for and the work was put on hand as approved by the Council, in anticipation of sanction The construction of the shops is almost complete and has greatly added to the beauty of the V V Market The minimum rent from these 8 stalls will in no case be less than Rs 200/- p.m and after making provision for paying up Rs 100/- towards the Local Relief Committee as per the desire of the Donor, the remaining amount of Rs 100/- or even more will be credited to municipal funds. Thus the above work is a remunerative one and a source of permanent income to the municipality for the investment made

In these circumstances I request you kindly to obtain sanction of the Government to the above work and communicate the same to me for taking further action Due provision has been made in the revised budget for 45-46 under "D1 Original Works" for meeting the municipal quota of the estimate
